

Holiday Cards

FOR VETERANS

Serve Illinois is proud to inform that the **Holiday Cards for Veterans** Campaign was a success!

Breaking Records

Over 2,000 cards expressing gratitude and holiday wishes were received for Veterans.

A State Wide Team Effort

Participants included:

- Ridge Circle Elementary
- Effingham High School
- Collinsville Middle School
- Christ the King School
- Boys and Girls Club of Elgin
- United North Elementary

& countless individuals from all over the state.

By the Numbers

Each card is equivalent to one hour of volunteer service. That is over **2,000 HOURS** of volunteer work!

Multiply that by the cost for an hour of service, and that makes this campaign worth over **\$60,000.00** in labor efforts in the state of Illinois.

Thank you for your continued volunteer participation & effort in making the State of Illinois a better place!
